

Supporting our children and families

Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

At St. John's C of E Primary School, we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support. If this is the case, please come and talk to us. There are many ways in which we can help as outlined in this offer of early help. We can also help to plan specific support for families in the forms of Plans or [Early Help Assessments](#) where we can work together to set and achieve outcomes.

We can help to plan specific support for families by following the Early Help Pathway, meaning we carry out a whole family early help assessment where extra support is identified. We will work with you as a family to work together to set and achieve positive outcomes in a family plan.

Providing early help to our pupils and families at St John's C of E Primary School Academy means we are more effective in promoting support as soon as we can. Early help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to year six.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Families who may be not be eating healthy food
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems.
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart.

- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

St John's C.E Primary School is a Trauma Informed School. We can provide a range of support for your child and your family. Please contact our Pastoral Lead, Mrs Taylor, using the details below. There are staff available on the playground at the start and end of the school day. You can also contact your child's class teacher via email or ClassDojo. Furthermore, Mrs Claire Darby, Mental Health Practitioner supports some of our families through a programme of work. A referral can be made, if this is deemed appropriate.
